

SERIES 140-20004/05

Print-and Peel varnish

This water based ink system is developed for temporary protection of scratch sensitive surfaces.

The Print-and Peel screen printing ink is suitable for the covering of view windows especially by the manufacturing of membrane switches.

Also suitable is the removable series 140-20004/05 for the protection of different kinds of scratch sensitive substrates like metals, plastics (PMMA, PC, PET, PVC, PS) and glass.

Thinner	: Water
Retarder	: -----
Mesh	: 77-55, 43-80, 54-60, 21-140, 18-180 PET 1500
Drying / Curing	: Forced heat drying or ambient temperature
Indoor/Outdoor use	: Primarily indoor use
Continuation process	: Ability to stamp or cut
Others	:
Substrates	: Plastics (PMMA, PC, PET, PVC, PS), metals, glass
Delivery Conditions	: On stock
Available Quantities	: 1kg / 5kg / 20kg
Special remarks	: Removable

Precautionary measures

Read material safety data sheet prior to processing.

The material safety data sheets according to OSHA form contain indication of hazardous ingredients, TLV-level and instructions for precautions when processing, handling and storing as well as first aid. The information given in the MSDS refers to processing as described in this technical leaflet. The statements in our leaflets have been made to the best of our knowledge and are given without any obligation. They serve to advise our business associates, **but it is absolutely necessary** to make your own printing tests under local conditions, with regard to the intended purpose prior to starting the printing job. In case of any doubts please contact our technical advisors. The application, use and processing of the products delivered by us are beyond our control. This is subject to your responsibility and there is no liability or guarantee on our part.

In case of justified complaints the manufacturer can only be made liable for the countervalue of the used ink system.

Addition of not mentioned products or competitors products are on your own risk and releases Printcolor Screen Ltd. of any later demands, especially in cases of damage and loss caused by alien products.

All former leaflets are no longer valid.
